Spring Into Fitness

Spring is in the Air!!! I really love spring, as I know a lot of people do!

It's a great time to shake off Ole' Man Winter and plant your vegetable garden, flower garden or just enjoy the wildlife that may be around your home.

I encourage you to find new ways in the new season to improve your wellness and overall fitness.

Here are a few ideas for the coming months to think about:

- Plan an active vacation
- Grill and eat outside on your deck or patio at least once a week
- Find a new exercise that suits your abilities
- Buy a new spring piece of clothing to perk up your basic wardrobe
- Take a sick friend or neighbor a lovely bouquet
- Take time to meditate on your blessings

Spring Idea:

On your day off, take 2 hours to clean out:

- a closet
- a drawer or
- a cabinet

Try a new fruit

- Pomegranate
- Mango
- Kiwi
- Blueberry
- Starfruit
