Go Nuts!

Packed with protein healthy fats and fiber, nuts are your go to afternoon snack!!

- Salt & Pepper pistachios
- Chipotle peanuts
- Glazed walnuts
- Oil roasted Marcona almonds
- Honey roasted cashews

People who put everything that they're going to eat—including dessert—on their plates before sitting down tend to eat less.

How to take your Vitamins:

- Take along with food and full glass of water
- Spread dosages throughout the day
- Take calcium separately
- Do not take them with prescription drugs
- Avoid "megadosing"
