

Hands on Hospice

Hospice of the Upstate

Hands on Hospice is looking for community partners to offer help in providing goods or services to Hospice of the Upstate. Our non-profit organization specializes in delivering end of life care to patients.

There are a variety of ways your school, church, or civic group could participate in a project.

Ideas include:

- Sponsor our coffee station supplies
- Sponsor a flower bed or bird feeders
- Make personal care packages
- Donate snack items for snack cart
- Provide special music
- Make holiday cards or goodies
- Offer prayer shawls or quilting blankets
- Donate time for a special event

*Projects can be tailored to your groups specifications.

Contact Carrie Pannell at cpannell@hospicehouse.net or 864-224-3358 to coordinate.
